

BY MICHAEL STARR

April 19, 2005 -- **Moore help is near**

Julianne Moore, who joined **Teri Hatcher** and **Calista Flockhart** early this month to raise over \$300,000 for the fight against Tuberous Sclerosis, is moving her fundraising efforts to Manhattan. She'll host the TS Alliance 30th Anniversary Gala May 5 at the Sheraton New York Hotel & Towers (7th Ave.), with **Tony Danza** emceeing and scheduled celebrity guests including **Yancy Butler** and **Erika Vetrini**. Tuberous Sclerosis is a genetic disorder that causes the formation of tumors in vital organs.

Author, Joan Baker

Another notable fundraising effort is being undertaken by **Joan Baker**, who will donate all royalties from her upcoming book, "**Secrets Of Voice-over Success**," to the Alzheimer's Association. The book features a foreword from ex-"Frasier" star **David Hyde Pierce**, now in "Spamalot" on Broadway.
