MUSEUM OF THE MOVING IMAGE PRESENTS: "VOICES BEHIND THE SCENES"

On Thursday, April 20, at 6:30 p.m., Museum of the Moving Image will present an industry seminar "Voices Behind the Scenes: The Art of Voice-Over," with an all-star panel discussion exploring the unsung but pervasive art of voice-over recording for film and television.

Organized by Joan Baker, author of "Secrets of Voice-Over Success," the event will be hosted by Alan Kalter, the voice of *Late Show with David Letterman*. The discussion will be followed by a cocktail reception and book signing of Baker's book. Inspired by her father, who lost the gift of communication to Alzheimer's, the book sales and any donations will benefit the Alzheimer's Association for a cure. Tickets for the event are \$24 for the general public, \$16 for museum members and students. Call (718) 784-4520 to purchase in advance.
